Parents and Community
Members

La Cosecha 2021 will host an in-person experience for parents and community members. This year we are proud to have a dedicated Institute available for our parent and community partners! Participants will leave La Cosecha with actionable steps in being an educational partner/leader, and community advocate.

Schools can register their parents and community members at a special price of \$75 per person for the in-person 1 day institute. School's will receive a PO of their school's parent/community member attendees after the event. Childcare for potty-trained children will be provided.

Districts/Schools can support parent and community member attendance through Title I, Title III, Title VI, as well as ESSER and ARPA funds, as aligned to supporting COVID-recovery in schools.
